Applicable Area:

MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Eric Carpenter, City Manager
DATE: June 25, 2025
TITLE: REFERRAL TO THE LAND USE AND SUSTAINABILITY COMMITTEE – 2040 COMPREHENSIVE PLAN EVALUATION AND APPRAISAL REPORT (EAR).

RECOMMENDATION

The Administration recommends that the Mayor and City Commission (City Commission) refer the item to the Land Use and Sustainability Committee (LUSC).

BACKGROUND/HISTORY

On October 16, 2019, the City Commission adopted Ordinance 2019-4302, which updated the City's 2040 Comprehensive Plan. This update was pursuant to an Evaluation and Appraisal Report (EAR) required under Florida Statutes.

ANALYSIS

Pursuant to Florida Statutes, the City is required to apply a secondary 20-year Planning Horizon to its Comprehensive Plan. The following is the applicable statute:

163.3177 Required and optional elements of comprehensive plan; studies and surveys.

(5)(a) Each local government comprehensive plan must include at least two planning periods, one covering at least the first 10-year period occurring after the plan's adoption and one covering at least a 20-year period. Additional planning periods for specific components, elements, land use amendments, or projects shall be permissible and accepted as part of the planning process.

Accordingly, the City's 2040 Comprehensive Plan needs to be changed to 2045, to consider the 20-year planning horizon. In accordance with the requirements of Section 163.3191, Florida Statutes, an amendment to the current 2040 Comprehensive Plan is necessary to reflect changes in state requirements since the last time the Comprehensive Plan was updated in 2019.

Upon referral, the Planning Department will draft the applicable amendments to the Comprehensive Plan, as well as any additional updates that may be needed, and present the amendments to the LUSC. After the LUSC provides a recommendation, the proposed amendments will go back to the City Commission for referral to the Planning Board. The final amendments will need to be adopted by the City Commission and transmitted to the State no later than April 30, 2026.
