## **GENERAL FUND**

### **Miami Beach “Blue Zones” Project**

At the June 26, 2024 City Commission meeting, the Mayor and City Commission adopted a Resolution approving the immediate commencement and advancement of the “Blue Zones” designation project in the City of Miami Beach during the current fiscal year. This item had previously received a favorable recommendation from the Public Safety and Neighborhood Quality of Life Committee (PSNQLC) at its May 22, 2024 meeting and the Finance and Economic Resiliency Committee (FERC) at its May 24, 2024 meeting for the Mayor and City Commission’s consideration to approve funding in the amount of \$220,000 as a priority enhancement request in the FY 2025 budget.

The “Blue Zones” project is a community-wide, well-being improvement initiative designed to make healthy choices easier. This is accomplished by encouraging sustainable changes in the built environment, building environments and social networks, and often supporting locally driven policy changes throughout a community including such places as worksites, schools, restaurants, grocery stores, faith-based communities, convenience stores, and neighborhoods.

As a result, this proposed budget amendment is to appropriate \$220,000 in the FY 2024 Parks and Recreation General Fund budget from the City’s General Fund reserves to fund a six (6) month assessment and scope of work as part of the evaluation process in order to designate the City of Miami Beach as a “Blue Zones” city. The assessment will yield a well-being strategy for the City, which will include a report of findings, a custom blueprint for the City, a proposal for a five (5) year partnership with Blue Zones and leverage the national development team to secure local sponsorships to fully fund the program.

### **UNIDAD Restrooms Pilot Program**

At the June 26, 2024 City Commission meeting, Resolution No. 2024-33096 was adopted by the Mayor and City Commission, accepting the recommendation of the Public Safety and Neighborhood Quality of Life Committee (PSNQLC) at its April 17, 2024 meeting, to re-open the exterior public restrooms at the UNIDAD building, which is located at 7251 Collins Avenue, as a pilot program for a period of three (3) months at a total cost of \$71,571 to be funded via a mid-year budget appropriation.

The exterior public restrooms that are located on the ground floor have been closed on Mondays through Fridays, since September 2022, based on complaints from residents and the continued threat to the safety of patrons. The PSNQLC recommended in favor of re-opening the exterior public restrooms at the UNIDAD building, Monday-Friday, as a three (3) month pilot program, using appropriate enhanced janitorial and additional security personnel to maintain the restrooms clean and safe.

As a result, this proposed budget amendment is to appropriate \$72,000 (rounded) in the FY 2024 Parks and Recreation General Fund budget from the City’s General Fund reserves to implement the three (3) month pilot program approved, which includes enhanced janitorial services and additional security personnel.

## **CONCLUSION**

The City Administration recommends that the Mayor and City Commission adopt the Sixth Amendment to the General Fund, Enterprise Fund, Internal Service Fund, and Special Revenue Fund budgets for FY 2024 described herein and further detailed in the attached Exhibit "A."
