WHEREAS, enhancing staff support for Commissioners would greatly improve the efficiency and effectiveness of the Mayor and City Commissioners in carrying out their responsibilities, including but not limited to legislation and constituent affairs; and

WHEREAS, on March 13, 2024, the Mayor and City Commission adopted Resolution No. 2024-32956, authorizing each City Commissioner to retain additional professional support, provided that the fiscal impact of this measure, per commissioner, shall not exceed \$120,000, inclusive of salary, pension and other benefits at initial hiring of an employee, and waiving, by 5/7th vote, the requirement in section 2-14(d)(1)a of the City Code to refer any agenda items in excess of \$75,000 to Finance and Economic Resiliency Committee; and

WHEREAS, for efficiency, Resolution No. 2024-32956 provided that each member of the City Commission shall notify the Mayor within 30 days from the adoption of the Resolution of their decision whether or not to avail themselves of the allocation for additional staff support to allow the Finance Department to determine if the allocation could be funded from existing departmental funds, or to otherwise prepare the appropriate budget amendment for City Commission approval; and

WHEREAS, due to the thirty (30) day deadline, the current projected budget for FY 2025 does not include funding for second City Commission aides that were not previously requested during FY 2024 amendment process; and

WHEREAS, since then, Commissioners Suarez and Dominguez have determined to recruit additional staff to assist with carrying out their responsibilities to the public; and
