TITLE: AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING CHAPTER 2 OF THE CODE OF THE CITY OF MIAMI BEACH, ENTITLED, "ADMINISTRATION," BY AMENDING ARTICLE II, ENTITLED "CITY COMMISSION," BY AMENDING 2-14, ENTITLED "MEETING PROCEDURES AND AGENDAS," TO REQUIRE THAT THE PRECEDENCE AFFORDED TO NOT REACHED ORDINANCES AND RESOLUTIONS NOT REACHED AT A PRIOR MEETING ALSO BE AFFORDED TO DISCUSSION ITEMS NOT REACHED, AND TO PROVIDE FOR THE AUTOMATIC EXTENSION OF A REGULAR COMMISSION MEETING UNTIL ALL ORDINANCES, RESOLUTIONS, AND DISCUSSION ITEMS NOT REACHED AT THE PREVIOUS CITY COMMISSION MEETING ARE HEARD; AND PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

ANALYSIS

The attached Ordinance was prepared at the request of Commissioner Kristen Rosen Gonzalez for consideration.

The City Commission has established agenda procedures for the conduct of its monthly meetings in Chapter 2 of the City Code. From time to time, certain agenda items are not reached at City Commission meetings due to time constraints or unforeseen circumstances, and, pursuant to Section 2-14(d)(10) they must take precedence over all other items on the agenda at the next regularly scheduled City Commission meeting, with the exception of previously scheduled time certain items.

Section 14(d)(10), enacted on February 21, 2024 pursuant to Ordinance No. 2024-4594, provides for priority treatment of ordinances and resolutions, but does not address discussion items. To further ensure that all matters brought before the City Commission receive timely consideration, the sponsor desires to require that until all unheard resolutions, ordinances, as well as discussion items from the previous meeting be heard at the next regularly scheduled City Commission meeting, with the exception of previously scheduled time certain items, and if there is insufficient time at such next meeting to hear all such items, then the next regularly scheduled meeting shall be automatically extended until all such items are heard.

Section 2-14. Meeting procedures and agendas.

* * *

(d) *Agenda items.*

- (1) *Item details.* Items published in a city commission meeting agenda shall include sufficient detail and information for the city commission and the public to evaluate the items in a reasonable and timely manner and, whenever possible, endeavor to sufficiently advise the city commission and the public of the nature of any requested actions that may be taken on the items. A draft of any resolution or ordinance sponsored and initiated by the mayor or a member of the city commission shall be shared with the city administration sufficiently in advance of the publication of the agenda to provide sufficient time for response or comment during the scheduled meeting.
 - a. Fiscal impact statement required. As part of the .commission memorandum that accompanies any ordinance or resolution placed on a city commission meeting agenda (including any resolution calling for a voter referendum on any measure), the city administration shall, to the extent applicable, prepare a written statement, to be included as a stand-alone section of the commission memorandum, briefly describing the estimated or anticipated increase or decrease of the revenues or expenditures of the city associated with the proposed measure, if any, for the current fiscal year and the subsequent fiscal year. If an ordinance or resolution sponsored and initiated by the mayor or a city commissioner is determined to have a fiscal impact greater than 75,000.00, the item shall first be referred to a commission committee for review and recommendation. unless the city commission waives this requirement by a five-sevenths vote.
 - b. To the extent determined applicable by the city administration, the fiscal impact statement may include:
 - (i) Historical data concerning the revenues or expenditures at issue;
 - (ii) Any assumptions, sources of information or methodologies used to estimate the fiscal impact to the city;
 - (iii) An estimate of the staff time or other resources that may be needed to implement the proposed measure;
 - (iv) Whether the proposed measure could be absorbed in the current fiscal year's budget, or whether an additional appropriation is required to implement the proposed measure;
 - (v) Whether the fiscal impact in subsequent years (up to, but no more than, five years, from adoption of the measure) materially differs from the fiscal impact in the first year;

- (vi) Whether the proposed measure will involve pension liability, and the estimated costs thereof; and
 - (vii) Any capital requirements or infrastructure constraints associated with the proposed measure.
- c. If the fiscal impact on the current or future revenues or expenditures of the city cannot be determined at the time the proposed measure is considered by the city commission, the fiscal impact statement shall include a description of the risk factors or variables involved, and the administrative actions that will be required in order to determine the anticipated impact on future revenues and expenditures. In such cases, the fiscal impact statement should, to the extent possible, use ranges to estimate the impact on revenues or expenditures.
 - d. With respect to proposed agenda items related to the procurement of goods and services, including construction services, that are awarded pursuant to a previously approved budget, or which involve expenditures that are specifically authorized in a previously approved budget, the requirements of this section shall be deemed satisfied by a statement of the budget code or funding source that will be used to cover the proposed item, and the contract amount associated with the proposed item, if any.
 - e. If a proposed item has a fiscal impact on revenues or expenditures of the city in the amount of \$25,000.00 or less, the fiscal impact statement shall state that the item involves an estimated fiscal impact of \$25,000.00 or less, and no further information or analysis shall be required.
 - f. The failure to comply with the requirements of this section shall not constitute grounds for canceling the consideration of a proposed measure or rendering invalid any determination made by the city commission.
- (2) *Time certain.* Except for the setting of time certain for public hearings as required by law, the mayor shall be authorized to set time certain for all matters to be discussed or considered on a city commission agenda. The mayor may consider and set a time certain based upon the request of a city commissioner, the city administration, or a member of the public if such request is made prior to the commission meeting.
 - (3) *Deferred items.* If an agenda item that is not set as a time certain for a public hearing is not reached during a city commission meeting, and the city commission does not specifically defer the item, the item shall be deemed to be deferred:
