COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Commissioner Kristen Rosen Gonzalez

DATE: July 24, 2024

TITLE: REFERRAL TO THE PUBLIC SAFETY AND NEIGHBORHOOD QUALITY OF LIFE COMMITTEE MEETING TO DISCUSS A PROPOSAL FOR ENHANCING SOUTH BEACH VOLLEYBALL COURTS WITH SMART LIGHTING.

RECOMMENDATION

BACKGROUND/HISTORY

This proposal involves installing advanced sports lighting systems, complete with telecommunications antennas, to enhance public safety and connectivity in the South Beach area, particularly the volleyball courts and Muscle Beach. These lights will be designed to offer real-time adjustability in brightness and color, providing flexibility for different events and seasons.

Having successfully implemented similar projects in culturally sensitive areas like New Orleans' French Quarter, they are confident in their ability to deliver a solution that respects the unique character of Miami Beach. They are also mindful of environmental concerns, ensuring that installations will not disrupt turtle nesting seasons.
