Motion 1 – By Acclamation: Accept the Recommendation of the Administration to reject the proposal for the potential parking solution for permanent residential parking as part of the West Avenue Phase II (Segment 1 and 2) project, brought forth by the West Avenue Neighborhood Association (WAvNA), Lincoln Bay Towers (1450 Lincoln Rd) and area residents.

2. DISCUSS/CONSIDER EXPANDING PARKING OPTIONS FOR RESIDENTS WITHIN THE WEST AVENUE NEIGHBORHOOD BY PERMANENTLY CONVERTING APPROXIMATELY 133 METERED ON-STREET PARKING SPACES WITHIN ZONE 12, TO METERED 24-HOUR RESIDENTIAL SPACES.

May 15, 2024 C4 AQ

Motion 1 – By Acclamation: Accept the Recommendation of the Administration to permanently convert approximately 133 metered on-street parking spaces within zone 12, to metered 24-hour residential spaces.

Motion 2 – By Acclamation: Recommend that the Mayor and City Commission, in the interest of expediting the commencement of construction activities in the neighborhood, adopt a resolution rescinding the direction given to the contractor to incorporate revisions to the project drawings, which would mitigate some of the parking reductions within the project limits, and proceed with construction as currently designed.

Motion 3 – By Acclamation: Recommend that the Administration commence discussions and potential negotiations for the construction of a public parking garage at 1671 West Avenue, as part of the BH the Alton Office project.

Motion 4 – By Acclamation: Recommend to proceed with construction of the West Avenue Phase II Neighborhood Improvement project, utilizing a multi-segmented approach, thereby shortening the overall project duration, provided that segments achieve beneficial occupancy to the extent that roads are safe, drivable and parkable, prior to proceeding to the next segment, and that progression is limited to construction in no more than two concurrent segments, with the exception of Segment 1, and that Segments 2 and 3 are not performed concurrently.

The meeting adjourned at 5:01 p.m.
