MIAMI BEACH

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission

FROM: Eric Carpenter, City Manager

DATE: September 11, 2024

TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACTING IN ITS CAPACITY AS THE GOVERNING BODY OF THE BISCAYNE POINT SECURITY GUARD SPECIAL TAXING DISTRICT, ADOPTING THE OPERATING BUDGET FOR THE BISCAYNE POINT SECURITY GUARD SPECIAL TAXING DISTRICT FOR FISCAL YEAR 2025.

RECOMMENDATION

Adopt the Resolution which establishes the operating budget for the Biscayne Point Security Guard Special Taxing District ("District") for Fiscal Year (FY) 2025 in the amount of \$354,000, subject to adoption of the non-ad valorem assessment roll of \$1,084.23, per Residential Unit, to fund the continued operation and maintenance of the guardhouse gates, and security guard services in the District, including but not limited to the making of building, infrastructure, and security-related improvements, as authorized by Section 197.3632, Florida Statutes.

BACKGROUND/HISTORY

In 1990, the Mayor and City Commission of the City of Miami Beach and the Miami-Dade County Board of County Commissioners approved the creation of a Special Taxing District pursuant to City Resolution No. 90-19919 and County Ordinance No. 90-52 to provide twenty-four (24) hour security guard service to Biscayne Point. Thereafter, in 2006 and 2007, respectively, the City's Mayor and City Commission and the Miami-Dade County Board of County Commissioners approved an amendment to the Special Taxing District in City Resolution No. 2006-26201 and County Ordinance No. 07-62 to provide for increased services, including the installation of cameras and a recording device in the guardhouse.

Pursuant to a Miami-Dade County Charter Amendment approved by the electorate on November 8, 2016, County Ordinance No. 16-14 was given effect which created a new Section 18-3.1 in the Miami-Dade County Code. This new County Code section provided, in part, that by joint resolutions of the Board of County Commissioners and the governing body of a municipality, the governing body of a municipality may be designated as the governing body of an existing Special Taxing District located entirely within the boundaries of such municipality, subject to a majority vote of the qualified electors residing in the Special Taxing District at an election called by and conducted as provided by the Board of County Commissioners and with the County Tax Collector and Property Appraiser would be needed to effectuate a transfer of control.

On January 23, 2018, the voters of the District approved the transfer of control of the Security Guard Special Taxing District to the City. As a result of this vote, and pursuant to the terms of the Transfer Agreement executed between Miami-Dade County and the City of Miami Beach, the City became the governing body of the Special Taxing District, as no contest of the election was filed pursuant to Section 102.168 of the Florida Statutes.

As such, the City of Miami Beach intends to use the uniform method for collecting non-ad valorem assessments, to fund the continued operation and maintenance of the guardhouse gates, and security guard services in the District, including but not limited to the making of building,

infrastructure, and security-related improvements, as authorized by Section 197.3632, Florida Statutes, because this method will allow such special assessments to be collected annually.

ANALYSIS

The non-ad valorem assessment roll and operating budget for this District must be adopted in accordance with Florida Statutes. This procedure requires that this Resolution be considered immediately after the non-ad valorem assessment roll for the District has been adopted (see accompanying Biscayne Point Non-Ad Valorem Assessment Roll agenda item for details).

PROPOSED BUDGET

The proposed FY 2025 budget summarized below for the Biscayne Point Security Guard Special Taxing District is \$354,000 and reflects the funding necessary to provide security services, as well as improvements to the security guardhouse for the upcoming fiscal year, as requested by the District. This represents a \$13,000, or 3.8%, increase from the adopted FY 2024 budget of \$341,000 for the District, which includes \$10,000 for the installation of a Radio Frequency Identification Device (RFID) reader system to be installed in the guardhouse that was requested by the District.

Expenditures in FY 2025 Budget	\$
Contracted Security Services for District	291,500
City of Miami Beach Internal Service Charges and Fees	16,000
Guardhouse Repairs and Preventive Maintenance	13,400
RFID Reader System (One-Time)	10,000
Guardhouse Utilities (Water, Sewer, Storm Water, Electricity, etc.)	9,400
Contingencies (based on budgeted collection allowance)	7,000
Set-aside for Reserve	4,000
Guardhouse Janitorial Services	1,500
Advertising and Mailing Services for Required Notice of Public Hearing	1,200
Total	\$ 354,000

In order to provide the level of services, as well as one-time funding for the RFID reader system requested by the District, an assessment of \$1,084.23, per Residential Unit, is proposed for real property located within the boundaries of the District commencing FY 2025, which will generate approximately \$354,000 and fund the proposed budget for FY 2025. The proposed non-ad valorem assessment is \$41.42, or 4.0%, more than the non-ad valorem assessment of \$1,042.81, per Residential Unit, that was adopted for FY 2024.
