TITLE: A RESOLUTION OF THE MAYOR AND COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, ACCEPTING THE RECOMMENDATION OF THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE AT ITS JULY 26, 2024 MEETING TO BRIDGE MIAMI BEACH FIENBERG FISHER K-8 FUNDING GAP IN LIGHT OF THEIR TITLE I FUNDING LOSS BY DIRECTING THE ADMINISTRATION TO NEGOTIATE AN AGREEMENT WITH THE SCHOOL BOARD OF MIAMI-DADE COUNTY FOR THE USE OF THE PARKING LOTS AT MIAMI BEACH FIENBERG FISHER K-8, WITH ANY PROFITS FROM THE USE OF THE LOT ALLOCATED AS FOLLOWS (1) FUND ALL CITY OF MIAMI BEACH UPFRONT COSTS RELATED TO PARKING LOT UTILIZATION INCLUDING BUT NOT LIMITED TO INSTALLATION OF PARKING METERS, TRASH CANS, AND PARKING STAFF MONITORING (2) FUND ALL CITY RELATED COSTS DURING PUBLIC UTILIZATION AND (3) ANY PROFITS BEYOND CITY COSTS TO BE SHARED WITH THE SCHOOL BOARD OF MIAMI-DADE COUNTY WITH A PERCENT ALLOCATED TO PUBLIC SCHOOLS LOCATED IN THE CITY OF MIAMI BEACH AND A PERCENT TO BE UTILIZED BY THE SCHOOL BOARD OF MIAMI-DADE COUNTY AT THEIR DISCRETION ACROSS ALL MIAMI-DADE COUNTY PUBLIC SCHOOL; AND FURTHER AUTHORIZING THE CITY MANAGER OR HIS/HER DESIGNEE TO EXECUTE ALL AGREEMENTS OR DOCUMENTS UPON CONCLUSION OF SUCCESSFUL NEGOTIATIONS BY THE ADMINISTRATION.

RECOMMENDATION

Accept the recommendation of the Finance and Economic Resiliency Committee, made at the July 26, 2024 meeting to negotiate an agreement with the School Board of Miami-Dade County for the use of the parking lots at Miami Beach Fienberg Fisher K-8 with any profit after City costs are covered shared between the School Board of Miami-Dade County and the City of Miami Beach with the City's portion being directed to Miami Beach public schools and the School Board's utilization of their portion at their discretion across the Miami-Dade County Public School District.

BACKGROUND/HISTORY

At the May 15, 2024 Commission meeting, item C4Y was referred by Commissioner Rosen Gonzalez to the Finance and Economic Resiliency Committee to discuss strategies in bridging Miami Beach Fienberg Fisher K-8 funding gap in light of their Title I funding loss for the 2024-25 school year (attachment A). Title I is the major component of the Elementary and Secondary Education Act (ESEA), passed in 1965 as part of President Lyndon B. Johnson's War on Poverty. Congress has reauthorized the Act numerous times since its enactment, making changes in focus each time. The current reauthorization of ESEA is the Every Student Succeeds Act (ESSA), signed into law by President Barack Obama on December 10, 2015.

Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the Florida Department of Education (FDOE), which then allocates funds to Miami-Dade County Public Schools (M-DCPS). The District adheres to Federal ESSA law mandates to ensure that

Title I School-wide Program funding is provided directly to eligible schools above the 75 percent poverty threshold. Eligible schools spend the funds allocated based on formalized School Improvement Processes approved by M-DCPS and FDOE.

Title I is part of ESSA that supports programs in schools and school districts to improve the learning of children from low-income families. Title I is the largest federally funded education program designed to provide students with additional help in Reading, Language Arts, Mathematics, Science, and Social Studies.

The Title I Program is committed to helping schools close the achievement gap between disadvantaged and minority students and their peers. ESEA ensures that federal funds provide the additional educational resources that students and teachers in high-poverty schools need to succeed and that supplement vs supplanting provisions are always observed.

In 2016, the City of Miami Beach passed Resolution No. 2016-29284 (attachment B) allowing the City to partner with M-DCPS to utilize the parking lot at Miami Beach Senior High School for additional parking for events taking place at the Miami Beach Convention Center. M-DCPS approved the City's application for temporary use of school building facilities (attachment C) with the City's Parking Department administering the City's use of the Miami Beach Senior High parking lot by charging the general public the same municipal parking special event rates approved at that time. Proceeds generated by the City's use of the school parking lot, net of all the City's costs and user fees payable to M-DCPS, were to be applied to support Education Compact related programs at public schools located within the City of Miami Beach, with any such proceeds to be allocated proportionately to each public school based on each school's full-time equivalent student attendance, and used for the benefit of Education Compact programs within the City.

ANALYSIS

Each year, M-DCPS ensures that eligible schools receive Title I funding. Eligible schools spend the Title I School-wide Program funds allocated, based on the School Improvement Process (Title I Plan) as follows:

- Additional teachers and support staff
- Instructional coaches and academic tutoring
- Computers and educational software
- Supplemental instructional materials
- Early childhood services (i.e. full-day pre-kindergarten)
- Parent and family engagement activities and support.

Per Dr. Gilberto Bonce, North Region Director, Miami Beach Fienberg Fisher K-8 received Title I funds during the 2023-24 school year (attachment D) and funded paraprofessionals, a prekindergarten class, tutoring (before and after school), and a community involvement specialist at a cost of approximately \$171,000 (attachment E). For the 2024-25 school year, Miami Beach Fienberg Fisher K-8 is no longer eligible to receive Title I funds. ESEA requires M-DCPS to determine the eligibility of a school to receive Title I funds by annually ranking eligible schools in which the concentration of children from low-income families exceeds 75 percent from highest to lowest. M-DCPS is required to use the Direct Certified (DC) or Free or Reduced Price Lunch (FRPL) data, based on the lunch program type selected for the school with the Florida Department of Agriculture, from the Florida Department of Education (FDOE) Public School Eligibility Survey 3 Report of the current year in order to determine the Title I eligibility of a school for the following year. If a school that is currently implementing the Title I School-wide Program does not meet the Title I eligibility threshold, it will not be designated as a Title I school for the subsequent school year.

Per the district, Miami Beach Fienberg Fisher K-8 has been notified of their Title I ineligibility status determination for the 2024-25 school year. The established economic poverty threshold for Title I funding is 75%, as per federal ESSA Section 1113 (A)(i) and as depicted in the Florida Statute, Section 1011.69 of the Equity in School-Level Funding Act. Based on the FDOE Title I Public School Eligibility Survey Data - Survey 3 Report, the % of students deemed eligible for FY 2024-2025 for Miami Beach Fienberg Fisher K-8 Location 0761 was 73.72%. Attached (attachment F) is the preliminary list of Miami-Dade County Public Schools that are eligible to receive Title I funds for FY 2024-2025. This information is pending the approval of the Florida Department of Education, as all District in the State of Florida are currently in the process of completing the FY 2024-2025 Federal Programs Consolidated Grant Applications.

Per email received on August 12, 2024 from Region Administrative Director Gilberto Bonce (attachment G), Miami Beach Fienberg Fisher K-8 will be held harmless for their Title I funding loss in the 2024-25 school year. The school will have a reading coach, a community involvement specialist, a paraprofessional, and will also receive a new VPK allocation. Additionally, the school will be provided with funds to cover the cost of tutorial services for the students at the school.

CONCLUSION

Administration will reach out to M-DCPS to understand the district's plan to address potential Title I funding loss to Miami Beach Fienberg Fisher K-8 in the 2025-26 school year and explore partnership opportunities to supplement educational programming for students at Miami Beach Fienberg Fisher K-8 as a result of potential funding loss including an agreement for the use of the parking lots for revenue generation. Title I eligibility is determined on an annual basis based on Title I eligibility criteria. Miami Beach Fienberg Fisher K-8 will be reconsidered during the 2024-25 school year for 2025-26 Title I eligibility based on Florida Department of Education Public School Eligibility Survey 3 Report.

SUBJECT: REFERRAL TO THE COMMITTEE FOR QUALITY EDUCATION IN MIAMI BEACH AND FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS STRATEGIES IN BRIDGING MIAMI BEACH FIENBERG FISHER K-8 FUNDING GAP IN LIGHT OF THEIR TITLE I FUNDING LOSS.

BACKGROUND/HISTORY

Miami Beach Fienberg-Fisher K-8 (MBFFK-8) Center, an International Baccalaureate school in South Beach, FL. With students from nearly 100 countries, Fineberg-Fisher prioritizes holistic education, offering robust music, fine arts, and physical education programs. In May, MDCPS leadership met with MBFFK-8 leadership, for the Budget conference for the upcoming school year, to determine if the school qualifies for Title I status and funds based on the number of Full-Time Equivalent (FTE) certified students. During the May budget Conference, it was determined that MBFFK-8 would lose its Title 1 funding. Without Title I funding, MBFFK-8 faces a funding gap of about 250,000. With the lost funding, the student population at MBFFK-8 faces an educational risk with the belief that the learning impact/loss will spill over to Miami Beach Senior High as the children move.

[THIS MESSAGE COMES FROM AN EXTERNAL EMAIL - USE CAUTION WHEN REPLYING AND OPENING LINKS OR ATTACHMENTS]

Good Afternoon,

Miami Beach Fienberg-Fisher K8 did not qualify for Title I funds for the 2024-2025 school year. This year, the Title I funds covered the following:

- 1 paraprofessional
- 1 community liaison specialist
- 1 reading coach
- 1 VPK teacher (the school is receiving a new pre-k allocation, meeting will be taking place soon to go over the details)
- Remaining balance, approximately \$30,000, was utilized for afterschool and Saturday tutoring in reading, mathematics, and science.

Should you require any additional information please don't hesitate to contact me.

Respectfully,

Gilberto D. Bonce, Ed. D., Administrative Director

Good morning,

Per prior conversations, we'd like to confirm that Miami Beach Fienberg Fisher K-8 will NOT be receiving Title 1 funds in the 2024-25 school year. The funds allocated to the school in 2023-24 were approximately \$171,000 which funded paraprofessionals, a PreK class, tutoring (before and after school), and a community involvement specialist.

I look forward to your response early this week.

Thank you,
Leslie

Hello Dr. Bonce,

Per our conversation earlier today, please confirm that all of the below positions/programs are being fully funded (\$171,000) in school year 2024-25 by MDCPS and that no support from the City of Miami Beach is needed to fill the gap caused by the loss of Title I to MB Fienberg Fisher K-8.

Thank you,
Leslie

Here are the items/positions that were funded last year from Title I:

- 1 paraprofessional
- 1 community liaison specialist
- 1 reading coach
- 1 VPK teacher (the school is receiving a new pre-k allocation, meeting will be taking place soon to go over the details)
- Remaining balance, approximately \$30,000, was utilized for afterschool and Saturday tutoring in reading, mathematics, and science.

Subject: FFK-8 Title I

Good afternoon,

May we please have a list of the items that are being provided in 24-25 that were lost due to the \$171,000 Title I? Is there a gap between what was available last year and what is available this school year? We are interested in assisting, but I need to know this week.

Thank you,
Leslie
