## COMMISSION MEMORANDUM

TO:	Honorable Mayor and Members of the City Commission
FROM:	Commissioner Tanya K. Bhatt
DATE:	July 24, 2024
TITLE:	REFERRAL TO THE LAND USE AND SUSTAINABILITY COMMITTEE TO DISCUSS CREATING A REGISTRY OF PLANNED RESIDENTIAL DEVELOPMENTS IN ZONING DISTRICTS WHERE SHORT-TERM RENTALS ARE PERMITTED, TO ENSURE PROPERTIES COMPLY WITH THE CITY'S SHORT-TERM RENTAL REGULATIONS AND FACILITATE CODE ENFORCEMENT EFFORTS, IN THE EVENT THAT ANY UNITS ON THE PROPERTY ARE RENTED ON A SHORT-TERM BASIS.

### **RECOMMENDATION**

### **BACKGROUND/HISTORY**

Please place the above item on the July 24, 2024 City Commission meeting agenda as a referral to the Land Use and Sustainability Committee ("LUSC").

Short-term rentals are prohibited in a number of zoning districts in the City. In districts where short-term rentals are permitted, the City is preempted under Section 509.032, Florida Statutes, from prohibiting them moving forward. However, any legally permissible short-term rentals are required to comply with the detailed requirements in Code Sections 102-386 and -387.

I would like the LUSC to discuss creating a registry of planned residential developments in zoning districts where short-term rentals are permitted. The registry should include new applications, as well as any applications that were approved by the land use boards within the last 5 years (including, without limitation, projects recently approved in the North Beach Town Center). This will alert all relevant City departments that a property may be used in the future for short-term rentals. The purpose of the registry is to allow for monitoring, ensure compliance with the City's short-term rental regulations, and facilitate code enforcement efforts.

I have been advised by the City Attorney's Office that the registry, which will be maintained by the City for informational and code-enforcement purposes, would not violate the State's preemption on new short-term rental regulations.
