Applicable Area:

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner David Suarez
DATE: June 26, 2024
TITLE: REFERRAL TO THE LAND USE AND SUSTAINABILITY COMMITTEE (LUSC) AND THE PLANNING BOARD (PB) - AN LDR AMENDMENT TO INCENTIVIZE RESIDENTIAL USES ON LINCOLN ROAD.

RECOMMENDATION

N/A

BACKGROUND/HISTORY

I would like the LUSC to discuss incentivizing non-vehicular transit options for new residential developments along Lincoln Road from Collins Avenue to Alton Road. This would include other zoning incentives to encourage non-transient, residential uses along this area of Lincoln Road. These incentives would be predicated on the following:

Non-transient, residential apartment units only.

No residential unit shall exceed 1200 square feet in size.

A minimum micro-mobility component within the interior of the structure, accessible by all residential units.

The following is an initial list of draft incentives for consideration:

1. Eliminate the minimum off-street parking requirement for non-transient, residential projects. Additionally, a cap on the number of off-street parking spaces that may be provided within an eligible project should be established.
2. The maximum FAR shall be increased from the current 2.25/2.75 to 3.0 for non-transient residential projects.
3. The interior portions of a project dedicated to micro-mobility shall be exempt from the definition of floor area.
4. The maximum building height for non-transient residential buildings shall be increased from 50 feet to 75 feet. Up to an additional 25 feet in building height may be permitted, subject to the following:
 - a. Off-street parking shall be prohibited.
 - b. The project shall exceed minimum micro-mobility requirements, as well as participate in a public micro mobility network.
5. A reduction or elimination of the mobility fee.
6. A sunset provision for these incentives of 7 to 10 years.

7. An enhanced and expedited process for the permitting of the project.

If there is consensus on these incentives an ordinance can be drafted for review by the Planning Board.
