TITLE: A RESOLUTION OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, APPROVING THE REVISED SCOPE OF SERVICES FOR THE GRANT AGREEMENT WITH CLEAN MIAMI BEACH, INC., FOR THE ONE-TIME GRANT IN THE AMOUNT OF \$45,000 APPROVED BY THE MAYOR AND CITY COMMISSION IN RESOLUTION NO. 2024-33094 AT ITS JUNE 26, 2024, MEETING, IN SUPPORT OF PROGRAMMING EFFORTS TO KEEP MIAMI BEACH AND ITS NATURAL HABITATS FREE OF GARBAGE AND HARMFUL POLLUTANTS, AND AUTHORIZING THE CITY CLERK AND CITY MANAGER TO EXECUTE THE CITY'S STANDARD GRANT AGREEMENT WITH RESPECT TO THE FOREGOING.

RECOMMENDATION

The Administration recommends the Mayor and City Commission adopt the resolution to approve the updated scope of services requested by Clean Miami Beach for the grant approved by the Mayor and City Commission.

BACKGROUND/HISTORY

On February 21, 2024, the Mayor and City Commission referred discussion item C4 F to the Finance and Economic Resiliency Committee to discuss awarding a grant to Clean Miami Beach to implement more extensive cleanup efforts (Attachment A).

On April 19, 2024, the Finance and Economic Resilience Committee discussed awarding a grant to Clean Miami Beach. The Committee unanimously moved the item to be heard at Commission with a favorable recommendation to prioritize during the FY2025 budget process funding for a \$45,000 one-time grant to Clean Miami Beach. The item is sponsored by Commissioner Fernandez.

On June 26, 2024, the Mayor and City Commission approved a one-time grant in the amount of \$45,000 to Clean Miami Beach in support of its programming for the deliverables proposed during the April 19, 2024, Finance and Economic Resilience Committee meeting.

ANALYSIS

Clean Miami Beach is a local non-profit organization dedicated to keeping the community and surrounding natural habitats free of garbage and harmful pollutants. On April 19, 2024, Sophie Ringel, Founder and Executive Director of Clean Miami Beach, presented the achievements of Clean Miami Beach to the Finance and Economic Resilience Committee and requested \$45,000 to implement more extensive efforts. The presentation detailed the following proposed deliverables for the funds requested: twelve (12) community cleanup events, the annual EcoFest, ten (10) Classrooms on the Sand, ten (10) Microplastic Art Workshops, and five (5) School Presentations.

On June 26, 2024, the Mayor and City Commission approved a one-time grant in the amount of \$45,000 to Clean Miami Beach in support of its programming for the deliverables proposed during the April 19, 2024, Finance and Economic Resilience Committee meeting, as listed above.

During the drafting of the grant agreement with the Environment and Sustainability Department, Clean MB requested updating the deliverables of the grant to accommodate the available materials for the Microplastic Art Workshops. Given the limited microplastic available for the art workshops, Clean MB requested reducing the number of Microplastic Art Workshops to five (5) and increasing the number of community cleanup events to seventeen (17). After consultation with the City Attorney's Office, it was determined that the changes in grant deliverables requested by Clean Miami Beach require City Commission approval. The updated Resolution contains the change in deliverables requested and is included as Attachment B. The grant agreement can be processed following the City Commission approval of the Resolution.

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Alex Fernandez
DATE: February 21, 2024

SUBJECT: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS AWARDED A GRANT TO CLEAN MIAMI BEACH TO IMPLEMENT MORE EXTENSIVE CLEANUP EFFORTS.

RECOMMENDATION

Please place on the February 21, 2024 agenda a referral to the Finance and Economic Resiliency Committee to discuss approving a one-time grant to Clean Miami Beach, Inc.

Clean Miami Beach, Inc. ("Clean Miami Beach") is a not-for-profit corporation of the State of Florida, founded by Miami Beach resident Sophie Ringel dedicated to the protection of beautiful Miami Beach and its marine wildlife.

In 2023, the Mayor and City Commission approved a one-time grant in the total amount of \$15,000 to assist Clean Miami Beach with its efforts to keep the City and its beautiful beaches clean and plastic-free, and directed the City Administration to prioritize the allocation of a \$15,000 grant to Clean Miami Beach for its beach clean-up programming, as part of the City's annual budget process for FY2024.

In 2023, Clean Miami Beach conducted 95 total cleanups, with 29,212 pounds of trash picked up, and has hosted or participated in programming to promote its mission including tabling events, speaking engagements, school presentations, corporate presentations, and art workshops.

While the grant provided has been invaluable in supporting various cleanup initiatives and educational programs, the challenges our community faces in ensuring the cleanliness and environmental sustainability of our beloved Miami Beach are multifaceted and ever-growing.

Clean Miami Beach's current budget for 2024 is approximately \$375,000 including, but not limited to, payroll, insurance, operations, business expenses, contracted services, and facilities (see attached Exhibit A for itemized allocations).

I would like Clean Miami Beach to present a funding request before the Committee, outlining what is needed to implement more extensive cleanup efforts, invest in sustainable practices, and enhance its educational outreach programs, along with deliverables, and for the Committee to ultimately to determine a recommended grant amount to the full City Commission.
