RECOMMENDATION

I would like to request that a discussion item be added to the agenda for our October 30, 2024, Commission meeting, to discuss Miami Beach Referendum 3 - *Charter Section 1.03: Sale/Lease of City property; right-of-way vacations; management/concession agreements.*

BACKGROUND/HISTORY

ANALYSIS

I recently came across language related to Ballot Question 3 that I had not encountered before. The text of the ballot question is as follows:

Miami Beach Referendum 3

Charter Section 1.03: Sale/Lease of City property; right-of-way vacations; management/concession agreements

Shall Charter be amended, requiring for all sales/leases (10 years or more) of City property (awarded after November 5, 2024) and right-of-way vacations:

- majority voter approval (includes changing approval for Convention Center Campus/Parking Lots from 60% to majority);
- advisory Planning Board review;
- planning analysis;
- appraisal;
- competitive bidding (sales/leases only);
- public hearing; and

for management/concession agreements (10 years or more):

- 6/7 Commission vote;
- public hearing;
- advisory Planning Board review?

Given the significance of this matter, I would like to request that this discussion item be added to the agenda for our October 30, 2024, Commission meeting. It is crucial for me to gain a clear public analysis of what transpired with this ballot question and ensure that all members are informed.

For your reference, a copy of the Resolution that called for the election, Resolution 2024-33170, is attached.
