

NB 18. DISCUSS REGISTRATION REQUIREMENTS FOR LICENSED PROPERTY MANAGERS
Applicable Area:

COMMISSION MEMORANDUM

TO: Honorable Mayor and Members of the City Commission
FROM: Commissioner Kristen Rosen Gonzalez
DATE: October 30, 2024
TITLE: REFERRAL TO THE FINANCE AND ECONOMIC RESILIENCY COMMITTEE TO DISCUSS REGISTRATION REQUIREMENTS FOR LICENSED PROPERTY MANAGERS.

RECOMMENDATION

BACKGROUND/HISTORY

Please place on the October 30, 2024 agenda a referral item to the Finance and Economic Resiliency Committee (Finance Committee) to discuss the implementation of a registration process for licensed property owners including a requirement of a two (2) hour training course as well as a registration fee.

Property owners including condominium associations and owners of residential apartment houses often retain the services of property managers to assist with code enforcement matters and appear at special magistrate hearings. While property managers are required to be licensed by the State of Florida, there have been numerous instances and complaints involving property managers who have appeared at special magistrate hearings and have testified under oath that they either unaware or are unfamiliar with the city code section cited in the violation and what is required to bring the violation into compliance. This lack of knowledge can be detrimental to property owners who ultimately may be subject to daily fines and a lien placed on their property if a compliance date is not timely achieved.

Additionally, the creation of a registration process and data base requiring all licensed property managers to register will enable city departments to contact property managers in an emergency and/or enforcement matter prior to the issuance of a violation.

Administration should be prepared to discuss the implementation of a two (2) hour training course as well as an appropriate registration fee and registration form.
