The First Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on November 28, 2023, through Resolution No. 2023-32837.

The Second Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on February 21, 2024, through Resolution No. 2024-32932.

The Third Amendment to the General Fund, Enterprise Funds, Internal Service Funds, and Special Revenue Funds budgets for FY 2024 was adopted by the Mayor and City Commission on April 3, 2024, through Resolution No. 2024-32997.

SANITATION

Pet Waste Clean-up Pilot Program

At the April 3, 2024 City Commission meeting, Resolution No. 2024-32987 was adopted by the Mayor and City Commission directing the City Administration to implement a pet waste clean-up pilot program by installing enhanced pet waste bag stations at strategic locations throughout the City to help prevent environmental contamination and health hazards at a cost not to exceed \$75,000.

The pilot program being proposed by City staff entails the deployment of an additional 46 new dog waste bag dispensers alongside the current 132 dispensers that are located throughout the City. Additionally, the proposed pilot program includes the incorporation of 14 Victor Stanley trash receptacles, strategically designed to bolster the waste collection infrastructure, promote responsible pet ownership, improve sanitation standards, and contribute to a cleaner and healthier environment for residents and visitors alike. The Victor Stanley receptacles, which the City has been using since 2004 in an effort to standardize litter receptacles citywide, go through a pretreatment and hot dip galvanizing process that extends their useful life. This minimizes the need for frequent maintenance and/or replacement of the receptacles since the treatment prevents premature rust damage from the salt environment.

As a result, this proposed budget amendment is to appropriate \$75,000 in the FY 2024 Sanitation Enterprise Fund budget from Sanitation Fund Balance.

Franchise Waste Hauler Analysis

At the May 15, 2024 City Commission meeting, Resolution No. 2024-33070 was adopted by the Mayor and City Commission directing City staff to engage a new consultant in an amount up to \$100,000 to assist with the development of the Request for Proposals (RFP) for multi-family residential and commercial waste collection and disposal services.

This proposed budget amendment is to appropriate \$100,000 in the FY 2024 Sanitation Enterprise Fund budget from Sanitation Fund Balance.

CONCLUSION

The City Administration recommends that the Mayor and City Commission adopt the Fifth Amendment to the General Fund, Enterprise Fund, Internal Service Fund, and Special Revenue Fund budgets for FY 2024 described herein and further detailed in the attached Exhibit "A."
